*Read and translate Robin's story (прочитайте рассказ Робина о том, чем увлекались ваши английские сверстники в XVI веке, попробуйте перевести его). Какие произведения Шекспира вы знаете?*

В мое время не так много интересного. Мальчишки любят стрелять из лука и играть в жмурки. Мы также играем в футбол. Но мое хобби — театр.

Дома я читаю пьесы Шекспира. Шекспир — великий драматург. Вы можете посмотреть его пьесы в новом театре в Лондоне. Он называется Глобус. Женщинам нельзя играть в театре. Только мужчины играют там. Театр круглый и у него нет крыши. Люди не сидят. Они стоят на земле рядом со сценой. Когда им не нравится пьеса, они кидают предметы на сцену. Только у богатых людей есть места. Они сидят в галерее. Иногда королева Елизавета приходит и смотрит пьесу.

Ей нравится театр.
